

Head Ice Technician for the Nanaimo Curling Club

The Nanaimo Curling Club is looking for an experienced head ice technician who wants to live in a wonderful community surrounded by spectacular scenery and a temperate climate. Our eight-sheet facility is the largest on Vancouver Island. You will be working under the direction of the club manager and will have additional personnel to help you in your duties. Of course, that can't happen if you don't apply. Resumes gratefully accepted via email to president@nanaimocurlingclub.ca prior to Friday, July 4th, 2025.

Knowledge, Skills and Abilities:

- A minimum of Level 2 Curling Technician certification.
- Strong knowledge of recreation facility maintenance and repair. Note that event setup/takedown and cleaning is part of the job.
- Knowledge of occupational hazards and safety rules and regulations
- Working knowledge of curling rink refrigeration systems.
- Working knowledge of ice-making methods and re-surfacing equipment.
- Ability to operate ice resurfacing equipment and any other tools or equipment related to the work.
- Ability to maintain curling rocks
- Ability to prepare reports.
- Ability to work with TSBC inspectors.
- Ability to deal courteously and effectively with the public groups and users of the facility to ensure observance of the rules and regulations.
- Ability to observe equipment in operation and report on any malfunctions.
- Ability to communicate effectively orally and in writing.

Pay is commensurate with experience and will be an hourly rate to be agreed upon. This is seasonal work starting on August 15th and ending on April 30th.
