

Mixed event 2020-21

Format

Open triple-knockout provincial with a 32-team cap and a four-team Page playoff

- 32 berths allocated on a first-come, first-served basis. Draw could be smaller if fewer teams enter.

Berths

- *Early deadline so draw can be created and ice allocated*

What will change?

Format is totally new. In 2020 the event had regional and open qualifying events and only 8 teams qualified.

- With no playdowns, teams can form earlier in the year and be able to plan ahead without worrying about the schedule

Rationale

Estimated savings of \$1,500/team

Host club \$ incentive

Curl BC estimates that these changes will save time and money for host clubs, players and volunteers. This format will also make it easier for host clubs to generate significant revenue.
