Berths

- *If any of the first 3 tour berths can not be awarded due to a lack of eligible teams, the berths will move to the second Open Event*
- *Alternately, 4 BCJT, and 2 Open #1 and 2 Open #2*
- *Open events need to be held in reasonable proximity to an airport*

What will change?

Three BCJCT spots. (2020 only one tour spot awarded). Two open events (2020 had five regional events and one open event).

- Additional BCJCT berths to reward teams that travel on the tour to get competition experience.
- Open events will keep costs down and make the event meaningful for teams (2-3 berths up for grabs)
- No direct entry because this is a High Performance category

Rationale

Incentive

Curl BC projects that these changes will encourage participation in junior tour events which will bring in more money for host clubs
