\$10,000 savings overall*

\$800-\$1,500 savings for some teams**

2019-20 significant event date conflicts: **3**

2020-21 significant event date conflicts: **0**

Everything designed to have higher participation in fewer events, making hosting desirable and worthwhile

* Curl BC regularly cancels 10-15 playdowns due to low numbers so the calculation is based on holding 10 fewer playdowns

** Teams who take part in open championships will have one less event to travel to
