Curling Canada has adopted World Curling's No-Tick Shot rule into its Rules of Curling for General Play

If, prior to the delivery of the sixth stone of an end, a delivered stone causes either directly or indirectly, an opposition stone in the Free Guard Zone (FGZ) which is touching the centre line to be moved to an off-centre line position or to a position outside the FGZ, the non-offending team has the option to:

OPTION 1 (i) Remove the delivered stone from play, and replace all stones that were displaced to their positions prior to the violation taking place; or

OPTION 2 (ii) Leave all stones where they came to rest.

If the stone is moved from the centre line to an out-of-play position, then the FGZ rule applies. This does not apply for Wheelchair Curling or for Mixed Doubles competitions.
